## The project of a healthcare facility

are keys elements to promote quality  
and safety of care. France has a great  
expertise in all areas of the hospital

beds) in Accra

- Canada, "Jim Patison Outpatient Care and Surgery Centre" in Vancouver (BC)

- Morocco, Mohammed VI Internation-

Bouskoura

- United Kingdom, Oncology and Radiotherapy Centre at University College

Peru has chosen France to assist the Ministry of Health in its project management.

- Vietnam, Mother and Child Hospital in
